Cranberry Mimosas

Ingredients each glass:

2 ounces cranberry juice

4 ounces Champagne

A splash of orange liqueur

1 spring of fresh rosemary

2 or 3 (or more) sugared cranberries

Directions:

Pour cranberry juice into a Champagne flute and top with Champagne. Add just a splash of orange liqueur and drop in few sugared cranberries. If you like garnish, try a sprig of rosemary. You can use sparkling wine like Prosecco in place of Champagne if you prefer.
